EXPERIENCE

Remote Work Internship - Canada

Alawi Stars for Computer Systems

Jan 2023 – Jan 2024 Jeddah, Saudi Arabia

- Developed and maintained critical software components in Java, Python, and C, contributing to system functionality and performance remotely
- Managed and optimized company infrastructure remotely, implementing automation strategies to enhance deployment, configuration, and monitoring processes.
- Collaborated within cross-functional teams to address technical challenges, utilizing strong analytical and problem-solving skills to optimize system performance.
- Conducted regular remote code reviews and provided constructive feedback to team members, fostering a culture of continuous improvement and quality assurance.

Manager Assistant

Walmart

June 2022 – August 2022 Kelowna, British Columbia

- Provided exceptional customer service by assisting shoppers with inquiries, locating products, and ensuring a positive shopping experience.
- Demonstrated strong attention to detail in managing cash registers, processing transactions accurately, and maintaining a secure cash-handling process.
- Improved sale performance by improving customer engagement.

Dining Service Associate

UBCO Pritchard Dining Hall

September 2022 – Jan 2023 Kelowna, British Columbia

- Contributing to team success by training new members, and taking on additional responsibilities during busy hours.
- Collaborated within cross-functional teams to address technical challenges, utilizing strong analytical and problem-solving skills to optimize performance.

Mobile Sales Associate

Best Buy

May 2024 – August 2024 Kelowna, British Columbia

- Consistently exceeded sales targets, achieving the top seller position on multiple occasions by effectively matching customer needs with mobile plans and devices.
- Delivered excellent customer service by understanding customer preferences, providing personalized recommendations, and building rapport to drive sales.
- Utilized persuasive communication and negotiation skills to close sales, upsell products, and enhance customer satisfaction.
- Collaborated with team members to ensure efficient workflow, contributing to a positive team dynamic and a high-performance sales environment.

PROJECTS(MORE ON LINKEDIN)

Drop Shipping In the Summer of 2022.

- Launched and managed a successful Shopify e-commerce venture targeting Canada and US customers. Utilized strategic Facebook ads, efficient resource allocation, and additional tactics like SMS marketing. Achieved sales of 165 products, showcasing revenue-driving abilities in a competitive market

Location Sharing App.

- My team and I have successfully developed a location-sharing and safety application for Android devices using Android Studio. Our app, designed with a focus on user safety, allows seamless location sharing and incorporates innovative features for enhanced security.
